GSA Data Repository item 2016045

Supplemental material for:
Potter-McIntyre, S.L., Boraas, M., DePriest, K., and Aslan, A., 2016, Middle Jurassic landscape evolution of southwest Laurentia using detrital zircon geochronology: Lithosphere, doi:10.1130/L467.1

Files:

Supplementary Figure S1. Measured section at Escalante Canyon showing lithofacies relationships. Colors correlate to rock colors.

Supplementary Data: Raw U/Pb age dates from detrital zircons along with cumulative probability plots.
