

The Student Advantage

Jump start your career in the geosciences!

- FREE online access to GSA's premier journals.
- Present your research and join in scientific exchange at GSA's Annual and Section meetings.
- Member-only discounts on GSA meetings, journals, books, Special Papers, and more.
- Apply for research funding.
- Take advantage of mentor programs.
- Connect with employers—post your online profile, view job postings, and participate in live interviews at our Annual Meeting.
- Gain practical experience by working on an exciting field project.
- Meet a world of interesting people. When you're with GSA, you're among friends!

Be part of the community that is
shaping the future of earth science!
