

# Bar Service

Should you decide to offer a cocktail reception, let us measure the best ingredients available - choice whisky, rum, gin, vodka, brandies & liqueurs - to properly blend the finest drinks your guests have ever tasted. Special brands of liquor, wine & beer are available upon your request.

**We remind you that Colorado State law prohibits the serving of alcoholic beverages to patrons under the age of 21, & that no alcoholic beverages may be brought for consumption into the Colorado Convention Center & the Denver Performing Arts Complex**

Charges are based on consumption. A bartender is provided free of charge for each individual bar that posts sales of \$400 or more per 4-hour period. A \$100.00 bartender fee will be applied to each bar failing to meet the \$400 minimum sales figure for the four (4) hour period. After the four (4) hour period, \$19 per bartender, per hour applies regardless of the sales. We recommend one bartender per 100 guests.

## Hosted Bar

All beverages consumed are paid by the host. A 19 percent service charge & applicable sales tax will be applied.

## Cash Bar

All beverages consumed are paid in cash by the individual guest.
