

Special Lectures & Addresses

GSA, GSA Divisions, and GSA Associated and Allied Societies encourage you to attend these once-in-a-lifetime events.

Don't miss your chance to hear from some of the best!

October 2007 GSA Annual Meeting, Denver

Saturday	Sunday	Monday	Tuesday	Wednesday
27	28	29	30	31
 <p>John M. Sharp Jr.</p> <p>GSA Presidential Address: John M. Sharp Jr.—“There’s Adventure in Geology.” Hyatt, Centennial Ballroom D/E; 7–9 p.m.</p>		<p>Richard Jahns Distinguished Lecture: John E. Moylan—“Geologic Influences on Mid-Continent Dams.” CCC, Room 404; 11:30 a.m.–12:15 p.m.</p> <p>Ingerson Lecture: Terry Plank—“Squeezing Water from a Stone (Water in Arc Magmas). CCC, Room 503; 12:15–1:15 p.m.</p> <p>Farouk El-Baz Award for Desert Research Presentation: Andrew S. Goudie—“Desert Dust—Sources and Trends.” CCC, Room 404; 1:30–2 p.m.</p> <p>Henry Darcy Distinguished Lecture: James J. Butler Jr.—“What the Heck is a Phreatophyte: A Field Investigation of Ecohydrologic Processes in Stream-Aquifer Systems.” CCC, Room 708/710/712; 4:40–5:30 p.m.</p> <p>George P. Woollard Award and Technical Lecture: Alan Levander—“Through the Past, Less Darkly.” CCC, Room 703; 5–5:30 p.m.</p>	<p>Michel T. Halbouty Distinguished Lecture: William H. Schlesinger—“Human Impact on Global Biogeochemical Cycles.” CCC, Room 704/706; 1:30–2.30 p.m.</p> <p>MSA Roebbling Medal Lecture: Gordon E. Brown Jr.—“Reminiscences of a Mineralogist Who Went Astray.” CCC, Room 704/706; 3–3:30 p.m.</p> <p>MSA Award Lecture: Richard John Harrison—“The Magnetic Personality of Minerals: From Nano-Scale Microstructures to Planetary-Scale Anomalies.” CCC, Room 704/706; 3:30–4 p.m.</p> <p>MSA Presidential Address: Barbra Dutrow; “Modeling Metamorphism: Energy, Fluids and Feedbacks.” CCC, Room 704/706; 4–5 p.m.</p> <p>Birdsall-Dreiss Distinguished Lecture: Bridget R. Scanlon—“Implications of Climate Variability for Groundwater Resources and Waste Disposal in Semiarid Regions—A Look at Ecological Controls from Annual to Millennial Timescales.” CCC, Room 708/710/712; 4:30–5:30 p.m.</p>	<p>Kirk Bryan Lecture: Marith Cady Reheis—“Older Pluvial Lakes in the Great Basin: Insights from a Decade of Field Work,” CCC, Room 502; 8–8:30 a.m.</p> <p>Don J. Easterbrook Distinguished Scientist Lecture: Peter U. Clark—“The Origin of Heinrich Events.” CCC, Room 407; 1:35–2:05 p.m.</p>

Abbreviations: CCC—Colorado Convention Center; Hyatt—Hyatt Regency Denver at Colorado Convention Center; MSA—Mineralogical Society of America.
