President's Student Breakfast Reception

Colorado Convention Center, Four Seasons Ballroom 1
Sunday, 31 Oct., 7–8:30 a.m.

Sponsored by

Hosted by GSA

GSA President Joaquin Ruiz invites all students registered for the meeting to attend a free breakfast buffet sponsored by ExxonMobil Corp. Joaquin and members of GSA leadership, along with ExxonMobil staff members, will be on-hand to answer questions and address student issues. The president's reception is one of the most popular student events at the annual meeting, and each registered student will receive a complimentary ticket for the breakfast buffet. This is a wonderful opportunity for networking and catching up with fellow students.

Inspiration

Geology in Government

Colorado Convention Center, Four Seasons Ballroom 1
Mon., 1 Nov., 11:30 a.m.–1 p.m.

This popular program features a FREE lunch for undergraduate and graduate students with a panel of mentors representing the Wisconsin Geological Survey, NASA, NSF, NPS, USGS, OSHA, and the GSA Congressional Science Fellowship. These mentors will answer questions, offer advice about preparing for a career in government, and comment on the prospects for current and future job opportunities with their agencies.

Geology in Industry

Colorado Convention Center, Four Seasons Ballroom 1
Tues., 2 Nov., 7–8:30 a.m.

This mentor program, which features a FREE breakfast for undergraduate and graduate students, has a panel of mentors representing Chevron, Rio Tinto, Alpha Natural Resources, ExxonMobil, CH2M Hill, Western Mining and Ames Construction. These mentors will answer questions, offer advice about preparing for a career in industry, and comment on the prospects for current and future job opportunities with their companies.

Women in Geology

Hyatt Regency Denver, Centennial Ballroom A
Sun., 31 Oct., 5–6:30 p.m.

A mentoring program which will address the issues faced by women in geology. This informal gathering begins with remarks from a few key speakers; including, Kateryna Klochko (GSA's Subaru Outstanding Woman in Science Award winner), Lori Eversull (Vulcan Materials), and Mary Anne Holmes (University of Nebraska-Lincoln) along with our Emcee, Sara Welna (AWG President). The speakers will be followed by time for networking, sharing ideas, and getting to know other women geoscientists and geosciences educators.
