**THE GEOLOGICAL SOCIETY
OF AMERICA**

Cordilleran Section

Dear Prospective Exhibitor:

December 14, 2009

The Pacific Section American Association of Petroleum Geologists & the Cordilleran Section of Geologic Society of America invite you to participate as an Exhibitor at our joint 2010 convention, to be held May 27 – May 29, 2010 at the Anaheim Marriott in Anaheim, California. The convention theme “From the Mountains to Main Street” suggests the range of the technical program, which will feature something for everyone. Field trips and short courses added to either end of the conference, with technical oral and poster presentations, will provide excellent choices for the 1500 registrants expected to attend this meeting.

Available exhibit space consists of fifty (50) – 8’ X 10’ booths. Booth space is available for \$1,450 each. A limited number of booths are available at a reduced rate for non-profit organizations on a first-come basis. Two (2) full registrations will be provided with each booth taken at the full rate. One (1) full registration will be provided for booths taken at the non-profit rate. Extra exhibitor (more than 1 or 2 comps) registration fee will be at a reduced rate of \$100 for the meeting. Fill out the contract/application to reserve your booth(s) as soon as possible. Additional information will be provided to those who are planning to exhibit.

Each draped booth will have two chairs, one ~6’ table, and 110V electrical supply. Exhibitors must negotiate with hotel for internet access if it is necessary.

Booth space will be assigned on a first-come first-served basis. Please contact either of us to reserve your space(s) as soon as possible.

Note that set up will be from Wednesday May 26, 2010 after 6:00 p.m. until Thursday, May 27, 2010 at 10:00 a.m. The Exhibition Hall will not open to participants until Thursday at 12:00 p.m. (noon). Beverage and food tables will be setup in a portion of the Exhibition Hall during the Welcome Reception on Thursday evening May 27th from 6:00-8:00 p.m. The Exhibition Hall will close on Saturday, May 29th at 12:00 p.m. (noon).
