Get into the Field

- GeoCorps™ America
- National Park Service Scientists in Parks (SIP)
- GSA/ExxonMobil Bighorn Basin Field Award
- J. David Lowell Field Camp Scholarship Award

www.geosociety.org/field-experiences

Clockwise from above: GSA-ExxonMobil Bighorn Basin participants, GeoCorps participant Lydia Williams taking the radiation readings with a Geiger counter at a uranium pushpit in Custer Gallatin National Forest, 2019 Field Camp Scholar Awardee, Jeng Hann Chong, in Ermont, Montana, USA.
Network and Present Your Research at Meetings

Travel Grants to Meetings
- On To the Future
- Student Travel Grants
- Division Travel Grants
- Section Travel Grants
- International Travel Grants to GSA Meetings
- International Geological Congress Travel Grants
www.geosociety.org/travel-grants

Annual and Section Meeting Opportunities
- Student Volunteer Program
- Best Student Geologic Mapping Competition Poster Sessions
- Best Student Paper and Poster Awards
- Geology Club Meet-Ups
- Roommates and Ride Share
- Campus Connection (University Geology Department Booths)
- Campus Recruitment
- Publishing and Social Media Workshops
- Science Communication Internship Program
Pursue a Geoscience Career

Mentor, Career, and Networking Events at Meetings

- GeoCareers Program (connecting students to non-academic careers)
- GeoCareers Center
- Mentoring365, a virtual one-on-one mentoring program
- Résumé Clinic
- Drop-in Mentoring
- Women in Geology Career Pathways Reception
- Networking Reception
- Early Career Professionals Coffee
- John Mann Mentors in Applied Hydrogeology
- Roy J. Shlemon Mentor Program in Applied Geoscience
- Career Workshops

www.geosociety.org/mentors

Online Resources

- Geoscience Job Board
- Career Webinars
- Resources and Information
- Articles
- GeoScene, a monthly newsletter for students/ECPs charting their careers

www.geosociety.org/careers
Apply for Funding

Research Programs

- Graduate Student Research Grants
- Undergraduate Student Research Grants
- Awards for Geochronology Student Research2 (AGeS2) Program
- Scientific Division Grants
- Specialized Research Grants
- Farouk El-Baz Student Research Grant
- Cole Research Grant Awards

www.geosociety.org/grants

Scholarships and Fellowships

- Expanding Representation in Geosciences (ERG) Scholarship
  www.geosociety.org/mssp
- Congressional Science Fellowship
  www.geosociety.org/csf
- Science Policy Fellowship
  www.geosociety.org/spf
Be a Part of the Community that is Shaping the Future of Geoscience

Benefits of Student and Early Career Membership

· Free online access to *GSA Bulletin* and *Geology*
· One free Scientific Division (students only)
· Mentoring365, a virtual one-on-one mentoring program
· Reduced meeting registration fees
· Free online access to Geofacets GSA Millennium Edition
· Interior Federal Credit Union membership
· 15% off Brunton compasses and pocket instruments
· Discounts in the GSA Online Store
· Discounted subscription to the *Journal of Geoscience Education*
· Leadership opportunities on the Student Advisory Council
· Online member and student communities
· Connect and network with over 20,000 geoscientists and students worldwide
