

Announcing a new  
ZEISS-GSA Research Grant.

# THE FUTURE OF GEOSCIENCE HAS NEVER LOOKED LARGER

The ZEISS Group and the Geological Society of America (GSA) are partnering to offer a research grant to support innovative microscopy in geoscience research projects.

- Open to GSA Student Members (Masters and Ph.D. students) and Early Career Professional Members (post-doctoral and early career researchers) in North America and Central America
- Women, minorities, persons with disabilities, and members of other groups underrepresented in the geosciences are strongly encouraged to submit proposals.
- Up to \$10,000
- Applications open: 1 Dec. 2019
- Applications close: **3 Feb. 2020 (5:00 p.m. MST)**

Seeing beyond
